ENDOCRINOLOGY MEETS CANCER

May 2-3, 2014, Gliwice, Poland

Venue:

Maria Skłodowska-Curie
Memorial
Cancer Center and
Institute of Oncology
Gliwice Branch

www.endocrinecancerworkshop.pl

Dear Colleagues,

I am happy to invite you to Gliwice, Poland where on May 2-3, 2014 my colleagues and I will organize Endocrine Cancer Workshop called "Endocrinology Meets Cancer". This educational event will be held as a satellite meeting of the 16th European Congress of Endocrinology which will take place in Wroclaw on 3-7 May, 2014. Please note that on Saturday, May 3rd, 2014 we organize transfer from Gliwice to Wroclaw.

The Workshop will be organized under auspices of Clinical Committee of European Society of Endocrinology and in close cooperation with European Society of Endocrinology, European Neuroendocrine Tumor Society, European Network for the Study of Adrenal Tumors and European Thyroid Association – Cancer Research Network, whose profile is focused on thyroid cancer, adrenal cancer or neuroendocrine cancer.

As Workshop begins at 9 am we encourage you to arrive to Gliwice on May 1st, in the evening. Rooms in hotel are already booked for you.

Our goal is to join strengths to defeat cancer. We expect that participants of Workshop will provide difficult clinical cases, which could be put up for discussion. Clinical cases will be the subject of poster session and then will be published in book "Endocrine cancer: cases" completed with expert commentaries. Important: due to the preparation of book we ask to prepare case presentations and submit them electronically until April 15, 2014 to the e-mail address: ewilk@io.gliwice.pl. Deadline for abstracts is April 1, 2014.

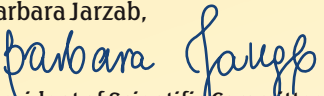

POSTERS ON ENDOCRINE CANCERS ARE INVITED

for publication in Book "Endocrine Cancer: cases"*

Maria Sklodowska-Curie Memorial Cancer Center and Institute of Oncology, Gliwice Branch is the oldest and most experienced center of thyroid cancer treatment in Poland. Presently, we are expanding our experience to treatment of adrenal and neuroendocrine cancer patients.

More information about the Workshop is available here:
www.endocrinecancerworkshop.pl

We invite you to the Meeting and discussion and hope to see many of you in Gliwice!

Barbara Jarzab,

 President of Scientific Committee

PARTICIPATION FEE	
Before February 28th, 2014	After February 28th, 2014
300 euro	600 euro
1000 PLN (for Polish participants)	2000 PLN (for Polish participants)

FRIDAY, May 2, 2014

09:00-09:50	Information on the activity of organ-specific groups of endocrine cancer	
	Information on the Program of Endocrine Cancer Workshop	
	Thyroid cancer: ETA-CRN tasks	
	Adrenal cancer: ENS@T - how the questions are solved?	
09:50-10:00		Neuroendocrine Tumors: ENETS and its goals
Discussion		
Session 1: GENERAL PROBLEMS IN ENDOCRINE CANCER		Session 2: HANDS-ON SEMINARS
10:00-10:45	Endocrine cancer: what are the most difficult clinical problems and are they to be solved by endocrinologist? A discussion between endocrinologist and clinical oncologist	Stereotactic radiotherapy for pituitary tumors
11:00-11:30	Coffee Break	
11:30-13:00	How do I manage thyroid incidentalomas?	PET in endocrine cancer
	How do I manage adrenal incidentalomas?	Gene expression profiling in endocrine tumors
	Incidental tumors of pancreas: risk of malignancy	
Discussion		
13:00-13:10	Discussion	
13:10-14:30	Lunch break and poster viewing and discussion	
Session 3: INTERACTIVE ENDOCRINE CANCER CASE DISCUSSION		
14:30-16:00	What the clinician should know on the molecular biology of endocrine cancer?	
16:00-16:30	miRNOME in endocrine cancer	
16:30-17:00	miRNOME in endocrine cancer	
17:00-17:30	Summary: do we need a common special interest group for endocrine oncology?	

SATURDAY, May 3, 2014

08:30-11:00	Session 4: PERSONALIZED APPROACH IN ENDOCRINE CANCER - SCIENCE OR FICTION?	
08:30-09:00	Personalized medicine in adrenal cancer	
09:00-09:30	Coffee Break	
09:30-10:00	Personalized medicine in thyroid cancer	
10:00-10:30	Personalized medicine in neuroendocrine tumors	
10:30-11:00	Summary and conclusions	
11:00	Farewell and departure to Wroclaw
